

October is California Lions Project Care

Environment Service Month

Lions Service Project Ideas

October is the perfect month to focus on the **Environment Global Cause**. Cooler weather makes it easier to get outdoors, get visible, and serve your community.

Whether your club is planting trees, restoring habitats, cleaning parks and beaches, or participating in **Sparkle Team** projects like graffiti removal, neighborhood cleanups, veteran and senior yard assistance, or community beautification, every project helps create a cleaner, healthier, more welcoming community.

Service Project Ideas

- **Adopt a Park, Beach or Street** — Schedule a cleanup and make it a recurring club project.
- **Plant for the Future** — Plant trees, native plants, pollinator gardens, or community gardens.
- **Sparkle Your Community** — Remove graffiti, pick up litter, refresh public spaces, or tackle a neighborhood beautification project.
- **One Yard at a Time** — Help a veteran, senior, or person who needs assistance with yard cleanup and basic outdoor maintenance.

- **Restore & Protect** — Support habitat restoration, invasive plant removal, trail cleanup, or local conservation efforts.
- **Recycle & Reuse** — Host an e-waste, recycling, clothing, or reusable-item collection event.
- **Beautify a Community Space** — Refresh a school, community center, veterans' facility, playground, or other shared space.
- **Partner Locally** — Invite schools, Leos, Scouts, businesses, neighborhood groups, and community organizations to serve alongside your Lions.
- **Make It Accessible** — Look for ways your environment project can also improve accessibility and make public spaces easier for everyone to enjoy.
- **Tell the Story** — Take before-and-after photos, share your project publicly, and report your service so your club's impact is counted.
